A Huge Plus for Your Paddling

Compact but Powerful | Up to 11 km/h

Together with your paddling, Vaquita takes you up to 11 km/h. It's not to replace your paddling, but takes you further.

Environment Friendly | 100 % Electric Drive

Vaquita emits no health-harming gases and won't pollute the waters as it leaks no oil or fuel.

Lightweight and Portable | 4 kg

Vaquita is designed for portability. It's small and 4 kg only. A customized storage bag is available.

Easy to Install | 2 Fin Box Adapters

With two fin box adapters, the installation can't be easier. It takes 2 min only.

Ultimate Safety | Overboard Protection

Vaquita features multiple safety designs. Overboard protection stops the motor after you fall over.
